Joe's Jots

2020 Theme. During worship this morning, we will announce our church family theme for the new year. A new Wednesday adult class centered on this theme will begin this week at 7 PM! I'm excited about our theme and I hope you will be too. Start praying that we will glorify God and help grow His kingdom in 2020!

The Great Bible Reading Challenge of 2019. Many of you recently completed the Bible reading challenge we started at the beginning of last year. And many others (including yours truly!) are still working on it. I received some encouraging feedback about our challenge that I want to pass along to you. Finishing her Bible reading is what prompted **Mattie Cowan** (pictured above) to be baptized last Saturday. If this was the only good result from the challenge, it would have all been worth it! But there are many other stories. **Howard Kirksey** told me that for the first time in his 63 years, he read through the Bible in a year. He said he has started many times before, but now he has finished. Both **Bobby & Nancy Mason** completed the challenge- Nancy told me she has always wanted to read the entire Bible, and our plan finally helped her do it. Even though the **Helton family** moved away from us to west Tennessee, Kim recently posted on Facebook that she finished her readings. She expressed gratitude for her journal with the calendar inside which helped her stay on track. Finally, **Phyllis Bishop** has been battling cancer and its many side effects in 2019. But she completed her readings, and told me this: "This past year has been a hard struggle, but reading the Lord's Scriptures everyday gave me a peace and hope to get me through." Praise God for these accounts and the many, many others that could be shared in this space!
